

## MIRROR GLASS WARRANTY

Mirror glass carries a warranty of one (1) year. This warranty covers silvering defects resulting in discoloration, black spots or clouding of the silver film that materially obstructs the mirror image of the vision area. This warranty is subject to all terms and conditions supplied by the manufacturer.

Markings that may appear on glass under hot/steamed conditions are not warranted. Such markings are a normal result of the manufacturing process and do not mean that the glass/mirror is compromised in any way or unsafe. Visual checks (quality control) are done only in dry, room temperature settings.

In the event the said product fails within the one (1) year warranty, ABC Glass and Mirror, Inc. will furnish and install a replacement. All mirrors are inspected prior to installation or pick up. Our company warrants that the goods which it has supplied will be fit for the particular purpose of use expressed by the buyer. All products are purchased from proven manufacturers and fabricated within the industry guidelines.

ABC Glass and Mirror, Inc. reserves the sole right to inspect all mirrors in question and determine, at its discretion, whether any conditions exist which would void the warranty.

The warranty will be void if the mirror product is:

- Broken (spontaneous and/or from use)
- Mishandled or there is evidence of tampering
- Improperly installed by someone other than ABC Glass and Mirror, Inc.
- Exposed to foreign materials or solutions such as, but not limited to, cleaning products or painted walls that may contain ammonia or any other solutions that can react to the mirror backing

There are no other warranties that extend beyond the description given by this warranty. This warranty is provided to and is only for the immediate customer. Proof of original purchase is mandatory and must be supplied to ABC Glass and Mirror, Inc. before any resolution or services are provided.
